

Installation instructions

PAKOKULA

- 1. Pass the power cord of the lamp body through the suspender.**
- 2. Splice the suspender to the ceiling plate.**
- 3. Connect the main line of the lamp body with the reserved wires on the ceiling (L, N and ground wire).**
- 4. The hanging board is tightly locked on the ceiling.**
- 5. Lock the ceiling plate on the lamp body firmly on the hanging plate of the ceiling.**
- 6. Insert the bulbs one by one, and install the glass cover on the lamp body one by one (be careful not to twist too hard when installing the glass to prevent the glass from cracking).**

Reminder !
1: Please read the installation instructions carefully before using ;
2: Do not install lamps in children prone to touch and humid environment.
3: Please cut off the power before installation and install by professional personnel
